Affordable Care Act Training for Financial Professionals

Andrew Zumwalt, MS, CFP® is an Assistant Extension Professor with MU Extension. He will present an Affordable Care Act (ACA) training for financial planners and professionals in central Missouri. The workshop has been approved for CEUs by the Certified Financial Planner (CFP®) Board of Standards and the Association for Financial Counseling and Planning Education (AFCPE).

Financial professionals who complete the training will receive three (3) CEU credits at no charge.

Workshop topics include:

- Basics of the Affordable Care Act
- How to Help Individual and Family Consumers Navigate the Marketplace
- How to Integrate Marketplace Insurance into a Financial Plan
- Employer-Sponsored Health Insurance Under the ACA

Training is free and open to the public.
Lunch is included at no cost.
